

GREETINGS FROM BLACKWATER, ONT., CANADA. V421

Tues 5:30
4/27/54

The plant is up at the far end of the road on the right.
Arrived safely about 12
Load did not shift a bit. — lots & lots of rain but warm & dry in trailer & plant.
Muriel has had a wet day but not cold. As you see I'll get you those plants yet.
Are both fine.
